BOOK SYNOPSIS

Book #1 - After Dark Series Amazon Top Rated - Bestselling Author Erotic Romance - 18 + for descriptive love scenes and language. Dr. Angeline Hemming is a beautiful, sassy, no-nonsense type of girl who has risen from a difficult past to become one of Chicago's most successful and respected criminal profilers. In exchange for free commercials to promote her favorite charitable causes, Angel answers calls and gives relationship advice on a Friday night radio program. Alexander Avery is a gorgeous and successful corporate genius who doesn't believe in love. When his girlfriend-of-convenience calls into Angel's program, he is furious with the show's host who doles out (what he considers) blind advice, without knowing all the facts... and he decides to give her a piece of his mind, and his side of the story! When Angel informs Alex he's the one in need of a much-deserved lesson, all hell breaks loose as these two type-A personalities battle it out for control over minds and hearts, and yes, in bed. Not only are they fighting each other at every turn, but they are also struggling to uphold the convictions they each live by. It's unclear who is stronger, but both must discover that to get what they desperately want, they may have to give a little... or a lot.
