BOOK SYNOPSIS

This book explains what inalienable rights are and how they restrict the behavior of their possessors. McConnell develops compelling arguments to support the inalienability of the right to life, the right of conscience, and a competent persons right not to have medical treatment administered without consent. Yet, surprisingly, he argues that the inalienability of the right to life does not entail that voluntary euthanasia or assisted suicide are wrong. This distinctive defense of inalienable rights will appeal to medical ethicists and other applied ethicists, political theorists, and philosophers of law.

INALIENABLE RIGHTS THE LIMITS OF CONSENT IN MEDICINE AND THE

LAW - Are you looking for Ebook Inalienable Rights The Limits Of Consent In Medicine And The Law?
