## BOOK SYNOPSIS

The essential coaching moves that every coach needs to know Student-centered coaching is a highly effective, evidence-based coaching model that shifts the focus from “fixing” teachers to collaborating with them to design instruction that targets student outcomes. But what does this look like in practice? This book shows you the day-to-day coaching moves that build powerful coaching relationships. Readers will find: Coaching moves that can be used before, during, and after lessons An abundance of field-tested tools and practices that can be put to immediate use Original video clips that depict and unpack key moves Richly detailed anecdotes from practicing coaches
